Participants in the study abroad program will stay in the very hospitable town of Chiavari, Italy, in the Gulf of Tigullio. Such a coastal town is located only a short distance from Portofino, Lerici, and Cinque Terre. The climate is temperate and offers comfortable and good hospitality in all seasons. In Chiavari, the students will study Italian poetry for 3 weeks and explore the Liguria landscape and identity through Montale’s poems. Students will take field trips all over Liguria, and the historically important seaport of Genova, where Columbus lived, Marco Polo was jailed, Garibaldi launched his attempt to unify Italy, and where the largest Aquarium in Europe is located next to EatItaly. A place that can satisfy any appetite and culinary curiosity.

Students should expect moderate hiking on this program.
