Students will study and reside at the Sant'Anna Institute which is just a short walk from the center of Sorrento and enjoys commanding views of Marina Grande, the Gulf of Naples, and Mount Vesuvius. Sorrento is a real haven of peace for study and creativity and it is not by chance that it has been, for more than three centuries, the destination of international artists, poets, and musicians. Throughout this program, students will have the opportunity to explore and study topics of Italian culture that are particularly interesting for them. The program will also provide four excursions to Pompeii, Naples, Capri, and the Amalfi Coast, along with a weekend in Rome.
